### History of Bobe's Pizza House

Bobe's Pizza House opened its doors in 1972, owned and operated by Byron, Pat and son Glenn in what was Piper's Grocery at 10th and Main.

In 1973, Gary Copp joined the Bobe family with five years previous experience as a "Pie Man" from another pizzeria. In 1975, Bobe's moved the business down the street to the Old Frosted Food Locker Building where we continue to operate today.

We are lucky to have dedicated and loyal employees and we are grateful to you, our customers, for your patronage. Thank you for allowing us to carry on our tradition of providing you good food and good service in our beloved hometown.
